

11—106.15(8A) Exclusions and limitations.

106.15(1) These rules do not apply to contracts for both goods and services when the predominant factor, thrust, and purpose of the contract as reasonably stated is for the purchase of goods with service incidentally involved. However, in no event shall state agencies designate contracts as contracts for goods to avoid the application of these rules.

106.15(2) Nothing in this chapter is intended to supplant or supersede the requirements adopted by the department of administrative services relating to the processing of claims. State agencies entering into personal services contracts should refer to procedure 240.102, Miscellaneous—Services Contracting, of the department of administrative services, state accounting enterprise policy and procedure manual.
